Notes:

1. Reporting as at 09-Jan-25
2. A further 187 incidents were reported at the pilot stage of the PAVA roll out pre Apr-19 for which age/ethnic group data is not readily available and would incur disproportionate costs to collate.
3. The figures provided have been drawn from HMPPS Management Information which has not passed through the quality assurance process usually associated with official statistics published on gov.uk and so may contain incomplete or, on rare occasions, inaccurate data.
